Dear Mr Lewis

Kairos Limited: Price and Volume Query

Kairos Limited (**ASX: KAI**) (**Company**) refers to the ASX price and volume query dated 21 March 2023 (**Query**). The Company's responses to the Query are set out below.

- 1. Is KAI aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?**

No.

- 2. If the answer to question 1 is "yes".**

- (a) Is KAI relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1? Please note that the recent trading in KAI's securities would suggest to ASX that such information may have ceased to be confidential and therefore KAI may no longer be able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is "yes", you need to contact us immediately to discuss the situation.**

- (b) Can an announcement be made immediately? Please note, if the answer to this question is "no", you need to contact us immediately to discuss requesting a trading halt (see below).**

- (c) If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?**

Not applicable.

- 3. If the answer to question 1 is "no", is there any other explanation that KAI may have for the recent trading in its securities?**

- The gold price is now above US\$2,000 / AUD\$3,000, which reflects favourably on the Company's Mt York gold project.*
- The Company is aware of an article published by Revolve Research titled "Revolve analysts say this WA gold and lithium explorer could be set to triple, and then some". The article was published on 20 March 2023. The Company is also aware*

of the article being published by Stockhead on 20 March 2023 and is available on our website (www.kairosminerals.com.au).

The Company notes that it has a paid commercial relationship with Revolve Research and Stockhead to prepare investor material and articles and to promote the Company.

- *The Company's Managing Director, Dr Peter Turner is currently in Germany and attended the Stuttgart INVEST Show on 17 and 18 March 2023, followed by Investor Lunch Frankfurt on 20 March 2023.*

Dr Turner has confirmed, and the Company is satisfied, that the only material information concerning the Company that has been disclosed as part of these conferences and investor relations events has been previously disclosed by the Company in ASX announcements.

- *The Company has recently reinstated its OTC (over-the-counter) listings in Canada and Germany and has appointed Axino Capital to conduct public relations and awareness of Kairos's newsflow, including translations of ASX press announcements.*
- *There has been significant recent M&A activity for entities with material gold projects in Western Australia, including the takeover bid for Mincor Resources NL by Wyloo Consolidated Investments Pty Ltd, a subsidiary of Wyloo Metals Pty Ltd, announced on 21 March 2023, and the takeover bid for Breaker Resources NL by Ramelius Resources Limited announced 20 March 2023. Furthermore, Breaker Resources' Lake Roe gold project is immediately north of Kairos's Roe Hills project where the company has previously announced successful results for lithium, gold and nickel exploration.*

4. Please confirm that KAI is complying with the Listing Rules and, in particular, Listing Rule 3.1.

The Company confirms that it is complying with the Listing Rules and, in particular, Listing Rule 3.1.

5. Please confirm that KAI's responses to the questions above have been authorised and approved under its published continuous disclosure policy or otherwise by its board or an officer of KAI with delegated authority from the board to respond to ASX on disclosure matters.

requested by this letter is information required to be given to ASX under Listing Rule 3.1 and it does not fall within the exceptions mentioned in Listing Rule 3.1A, KAI's obligation is to disclose the information 'immediately'.
