

COMPANY ANNOUNCEMENT

APPOINTMENT OF DIRECTOR

25th November 2009 : Mining Projects Group Limited (ASX : MPJ) is pleased to announce the appointment to the board of Christopher Taylor in the capacity of Director of Exploration.

Chris holds a MBA and BSc (Honours) Major in Geology and is a Member of the Australian Institute of Mining and Metallurgy and a Member of the Society of Economic Geologists. Chris has previously held senior roles as Exploration Geologist and Consulting Geologist to a number of Australian and international mining companies including Newcrest Mining Limited, Delta Gold Limited, Gutnick Resources N.L. and Range River Gold N.L.

It is proposed that Chris will take a leading role in directing and implementing the exploration activities of the Company and overseeing the introduction of new mining projects and opportunities.

For And On Behalf Of The Board

Bryan Frost
Executive Chairman
